

Robinson Independent School District
Robinson Junior High School
2016-2017 Improvement Plan

Mission Statement

In partnership with parents and the community, Robinson ISD will prepare students for a fulfilling and productive life by empowering them to perform with academic excellence and personal responsibility and to exhibit characteristics of compassion and integrity needed to contribute to society and succeed in all endeavors.

Vision

Robinson ISD will develop leaders and productive citizens by cultivating a passion for learning and a desire for excellence.

Value Statement

Every Student, Every Day

Table of Contents

Goal 1: Robinson Junior High will improve academic performance as indicated on state, district, and diagnostic assessments so that 100% of students achieve growth each academic year.	4
Goal 2: Robinson Junior High will use quality data to drive instruction so that 100% of students receive instruction to meet his/her needs.	4

Goal 5: Robinson Junior High will provide equipment and training needed to create a 21st century learning environment, that is supported by effective educational technology integration into the classroom.	5

Goal 1: Robinson Junior High will improve academic performance as indicated on state, district, and diagnostic assessments so that 100% of students achieve growth each academic year.

Performance Objective 1: All core content areas will administer common assessments at least once every six weeks so that 100% of data is in Eduphoria by the end of six weeks.

Performance Objective 2: The junior high will provide resources and training to implement targeted intervention and acceleration as indicated by student performance so that 100% of students show growth by June 2017.

Performance Objective 3: Teachers will utilize TEKS resource system documents to ensure vertical and horizontal alignment of curriculum standards and instructional materials during PLC time so that 100% of curriculum is aligned.

Goal 2: Robinson Junior High will use quality data to drive instruction so that 100% of students receive instruction to meet his/her needs.

Performance Objective 1: Administration will increase planning time of teachers via PLC time and district planning dates to disaggregate data so that 100% use the system and data to inform instruction by June 2017.

Performance Objective 2: Administration and teachers will disaggregate data in order to ensure growth by all subpopulations and special programs so that the gap in performance is diminished.

Goal 3: Robinson Junior High will provide professional development for leaders and teachers in the district so that 100% of staff are providing quality instruction and/or leadership.

Performance Objective 1: Provide quality professional development in the targeted areas of History, Science and Math as well as technology integration so that 100% of learned information is implemented in the classroom.

Performance Objective 2: Integrate technology seamlessly with academic content into classroom instruction so that students receive a 21st century education.

Goal 4: Robinson Junior High will increase family/community engagement opportunities and ensure a safe and secure school climate for all students and staff.

Performance Objective 1: The campus will implement programs and training to allow for increased security of students and staff at all campuses by June 2017.

Performance Objective 2: Robinson Junior High will provide parents with increased opportunities for input and communication for parents.

Performance Objective 3: Robinson Junior High will hold the academic open house that encourages parents to view student projects and performances. This Expo will also have parent communication tools accessible. The school will provide snacks and incentives to promote parent participation with 90% participation.

Goal 5: Robinson Junior High will provide equipment and training needed to create a 21st century learning environment, that is supported by effective educational technology integration into the classroom.

Performance Objective 1: Provide efficient and effective equipment and internet access to every student in every class including the non-core classes throughout the day.
